Wouchify

Website Development Documentation

1. Platform Overview

- Wouchify is a deals and coupon discovery platform where users can find online offers such as Loot Deals, Promo Codes, Discount Vouchers, Giveaways, and Crypto Rewards / Reward Opportunities.
- The platform collects promotional offers from different online brands and organizes them so users can easily discover discounts and promotional campaigns.
- Users should be able to browse deals without creating an account.

2. Website Navigation Structure

- Main Navigation (Navbar): Home, Deals, Stores, Categories, Top Deals, Loot Deals, Promo Codes, Giveaways, Reward Opportunities, Submit Coupon, Blog, Advertise With Us, About Us, Contact.
- Footer Navigation: About Us, Contact Us, Privacy Policy, Terms & Conditions, Affiliate Disclosure, Disclaimer.

3. Home Page Structure

- Hero Section with headline: Discover Loot Deals, Promo Codes & Rewards.
- Featured Deals Slider highlighting important offers.
- Trending Deals based on clicks, views, and engagement.
- Latest Deals showing newly added offers.
- Loot Deals Section for extreme discount deals.
- Promo Codes Section with copy code button.
- Giveaways Section for promotional reward campaigns.
- Crypto / Reward Opportunities for earning campaigns.
- Top Stores Section with stores like Amazon, Flipkart, Myntra, Ajio, Swiggy.
- Telegram Integration encouraging users to join the Telegram channel for instant updates.

4. Deals Page

- Displays all deals available on the platform.
- Each deal card includes deal title, store name, discount percentage, price, expiry info, and Get Deal button.

5. Stores Page

- Lists all supported stores with logo, store name, description, and link to store detail page.

6. Store Detail Page

- Each store has its own page such as /store/amazon.
- Page displays store logo, description, deals, promo codes, vouchers, and optionally expired deals.

7. Categories Page

- Deals are organized by categories such as Electronics, Fashion, Food, Travel, Digital Services, Beauty, and Mobile & Gadgets.

8. Top Deals Page

- Displays the best deals with highest discounts or special promotions.

9. Loot Deals Page

- Displays extreme discount offers attracting high user engagement.

10. Promo Codes Page

- Displays all coupon codes with store name, coupon code, discount details, and copy button.

11. Giveaways Page

- Shows active promotional giveaways with reward details and participation instructions.

12. Crypto Rewards / Reward Opportunities

- Displays campaigns where users earn rewards such as signup bonuses, referral rewards, or promotional tasks.

13. Submit Coupon Page

- Users can submit deals using fields like Store Name, Deal Title, Coupon Code, Discount Details, Deal Link, Expiry Date, and Description.
- Submitted deals go to admin review before publishing.

14. Blog Page

- Contains articles about shopping tips, saving money online, and seasonal deal guides to improve SEO traffic.

15. Advertise With Us

- Allows brands to promote deals using featured placements, sponsored listings, giveaway promotions, and campaigns.

16. About Us

- Explains the mission of Wouchify as a platform helping users find verified deals and discounts from multiple stores.

17. Contact Page

- Includes contact form, email, and social media links for user or partner communication.

18. Core Website Features

- Copy Coupon Code Button for quick copying.
